tui

Red - Vin de France - 2021

« Liquorice and red fruits »

Delicious, easy to drink, fruity wines. And excellent value!
Tui... A cute little name that rolls off the tongue... and the affectionate name we have given to our little Provençal cypress that we love so much. The cypress is a magical tree for the Kennel family...the great 1,000-year-old cypress and its offspring that we have named Tui. It embodies permanence, renaissance, solidity, and the capacity to adapt.

In the vines

Soils: alluvial clay

Grape varieties: Syrah, Merlot, and Cabernet Sauvignon

Cultivation method: rigorous disbudding

Environment: the Cabernets and the Merlots have been pruned according to physiological principles for the last two years

In the cellar

Harvest: picked when balance between technical and phenolic maturity has been attained

Winemaking: short, 10-day vatting period

Ageing: in concrete vats

The wine

Tasting note: supple with black fruit aromas of prune and liquorice

Cellaring: 3 years

Serving temperature: 16°C

Analyses:

ABV: 14°

Acidity: 3,50

PH: 3,68

Packaging

Bottle: clear Bordeaux

Closure: premium plastic cork

Cartons: 6 (2x3 layers)

Bottles per palette: 600
